

How do I register?

We can register anyone wanting to join the practice as a private patient. If you wish to become a member you can complete an agreement form to include your signature and bank details for a monthly direct debit. Your initial consultation will be £70, which includes a full dental health check and x-rays.

Membership cover will commence from the 1st of the month (effective month on the agreement). If you have any queries please ask a member of staff.

Our current Membership monthly fee is £13.95 .

NHS Dental Treatment

The NHS will cover the cost of your dental treatment if you:

- are under 18 years old
- are aged 18 years and in full time education

Or hold the following exemptions:

- Valid Maternity exemption
- Universal Credit
- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment & Support allowance
- Pension Credit Guarantee Credit
- NHS Tax credit Certificate
- HC2 Certificate
- HC3 Certificate

If you claim for free NHS treatment that you are not entitled to, there will be a penalty charge.

Welcome

Whether you are a new or existing patient, we would like to thank you for choosing our practice. At Hunsbury Dental Care we provide high quality treatment in a friendly and family-orientated environment.

As a family run practice, we are dedicated to serving our community. We are committed to continuing dental education and keeping abreast of the changes in modern dentistry.

We encourage preventative techniques—helping you to maintain the health of your mouth and keep it free from dental disease.

“Keeping you and your family smiling”

Treatments and Services

We offer a comprehensive dental health check to all of our patients. As well as routine dental care we are able to offer a range of other treatments.

Please enquire about:

- Tooth Whitening
- Hygiene –with our Senior Hygienist
- Composite Bonding
- Facial Aesthetic treatments
(Anti-wrinkle and Dermal filler treatments)
- Orthodontic treatment (Braces)
- Sports guards

Your Child’s Dental Care

Children are born free from dental disease, yet by adulthood a significant proportion of the population have active gum disease and most people have experienced tooth decay or even tooth loss.

Our aim is to provide your child with the best dental care available using preventative techniques and encouragement to look after their own teeth. Here at Hunsbury Dental Care we can also provide children with custom made mouth guards for sports.

Dental Care Plan

At Hunsbury Dental Care we run a dental membership plan, which we feel encourages regular attendance and provides you with many benefits.
